

SIGN UP FOR RELATIONAL GET OUT THE VOTE WITH ONE WAKE

RELATIONAL CANVASSING OVERVIEW

This fall ONE Wake will engage 3,800 infrequent voters in low voting precincts across Wake County that have seen the highest increases in property taxes. Our goal is to increase voter turnout in these precincts by at least 5%.

Relational GOTV is about QUALITY over QUANTITY. The goal is to build long-term relationships and power with Wake County residents to address skyrocketing housing costs in our county. Volunteers will receive training before their first canvass, and will have access to professional tools that will ensure each canvass is efficient and effective.
